

MARBLE CATHEDRALS (CHILE)

2 DAYS / 1 NIGHT

Departures EVERY Saturday (from October to April)

DAY 1 (SATURDAY): departure at 09:00 a.m. towards Los Antiguos, where we go to its different lookout points. We continue our trip towards the border to cross to Chile. We do all paperwork related to immigration and customs proceedings, for which passengers must carry ALL required documentation (ID CARD, PASSPORT, PARENTAL AUTHORIZATIONS FOR MINORS, etc., as the case may be). Once we finish the paperwork and arrive at Chile Chico, we take a 170-km-long road on the shores of General Carrera Lake. Throughout the trip, we stop at different points for passengers to get out of the vehicle and take photographs. After approximately 3 hours the tour has started, we also stop at PUERTO GUADAL mainly to go to the restrooms. We have lunch while we gaze at the wonderful nature of the place. We then have to cover 60 km more up to PUERTO TRANQUILO, where we arrive at around 04:00 p.m. If there are favorable weather conditions, we take a BOAT TRIP TO MARBLE CATHEDRALS AND CHAPELS in little boats that will allow us to enter into the caves. As they are open boats, passengers may get wet; therefore, it is recommended to carry a rain jacket and/or a change of clothes. If weather conditions are not favorable, we take this trip the following morning. We spend the night in hotel rooms with private restrooms (double/triple occupancy; for single occupancy rate, please consult). Dinner charges are at the expense of each passenger.

DAY 2 (SUNDAY): breakfast, departure in mid-morning by Southern Highway towards Bertrand Lake. We arrive at Baker and Neff Rivers confluence, where we go on a mild walk. We then visit a charming town where we have lunch and finally, we return to Chile Chico to cross the border towards Los Antiguos at around 06:30 p.m.
