

PATAGONIA NATIONAL PARK / LOS ANTIGUOS TREKKING IN "LA ASCENCIÓN" AT SUNSET

Departure at 02:00 p.m. from Perito Moreno. We take Route 43 towards Los Antiguos town. A few kilometers away, we start to see The Andes and the Buenos Aires Lake.

After 45 minutes our trip has started, we arrive at Los Antiguos, where the passengers staying there can join the tour and where we go over its lookout points, the promenade and then, we visit a farm where we are taught about the production of berries and we please our palates with their "home-made" products.

After this little afternoon snack, we go to the farm "Estancia La Ascención" (PATAGONIA NATIONAL PARK) to know its facilities. The passengers who wish to do so can do a TREKKING of middle difficulty up to the hill "CERRO DE LA CALLE" (in total, 7 km) and the passengers who do NOT want to do the trekking spend the afternoon going over the facilities of the farm. We then go PUESTO DEL CINE by our vehicle to see the SUNSET on the BUENOS AIRES LAKE all together.
